MTBM OPERATOR

BRADSHAW CONSTRUCTION CORPORATION 175 W. LIBERTY ROAD ELDERSBURG, MD 21784 PHONE 410.970.8300 FAX 410.970.8340 WWW.BRADSHAWCC.COM

A successful Microtunnel Boring Machine (MTBM) Operator must be physically fit for underground and confined space and be comfortable climbing/crawling within these confined spaces. This position requires knowledge/experience with mechanics, hydraulics and electronics to successfully monitor and analyze operating systems. This type of work requires a pro-active approach to ensure success.

GENERAL REQUIREMENTS

- *Actively participate in the MTBM system assembly/disassembly during mobilization/demobilization periods,*
- *Responsible for testing all MTBM utility connections,*
- *Monitor line and grade; ensuring alignment remains within tolerance,*
- *Maintain accurate records of jacking operations per specified forms,*
- *Responsible for operation, daily maintenance and routine repairs of MTBM,*
- *Communicate equipment and tunneling status to shift operator; pertinent to smooth transfer of controls,*
- *Travel is required – Eastern United States.*

We are an Equal Employment Opportunity Employer and a Drug Free Workplace.
